PETITION TO THE U. S. POSTAL SERVICE

We, the undersigned, are residents of the City of Central, Louisiana. Ever since our incorporation in July, 2005, the City of Central has been penalized by the presence of six different zip codes within our city limits. The potential for the loss of sales tax revenue, in addition to the potential for a miscount of our population by the U. S. Census Bureau, is significant and a major concern. We are requesting of the U. S. Postal Service to allow the City of Central to have just one zip code which would be dedicated exclusively to Central.
